

## Replacement Ear Tag Form Tennessee Junior Livestock Program

Exhibitors should be instructed to immediately notify their Extension agent or agriculture teacher when an ear tag is lost or damaged.

Ear tags **MUST** be replaced **PRIOR** to arrival to Tennessee Junior Livestock Shows (Junior Swine Show, Knoxville Spring Cattle, and TN Jr. Livestock Expo). All replacement tag orders must be submitted within **10 days** of the show for timely delivery of replacement tag. If an ear tag is lost or damaged within 10 days of a show, county agents or agriculture teachers must immediately notify state 4-H Animal Science Specialist.

Any animal that arrives to a Tennessee Junior Livestock Show without original ear tags supplied by UT Department of Animal Science or without a replacement ear tag form on file **WILL NOT** show.

Extension staff or agriculture teacher **MUST** supervise the tagging of replacement tags to verify animal identity.

A separate replacement form must be completed and submitted for each lost tag.  
**Ear tags will be mailed to the exhibitor's county Extension office.**

Exhibitor Name: \_\_\_\_\_

Address: \_\_\_\_\_

County: \_\_\_\_\_ Name of 4-H county or FFA chapter: \_\_\_\_\_

Please check animal's specie.

Crossbred Mkt. Hog	<input type="checkbox"/>	Purebred Barrow	<input type="checkbox"/>	Purebred Gilt	<input type="checkbox"/>
Steer	<input type="checkbox"/>	Commercial Heifer	<input type="checkbox"/>	Market Lamb	<input type="checkbox"/>
