**Payment Option - Must Select One.**

**E-Payables** – This is the fastest payment method and the terms are “Net 0”. **For E-Payables the Vendor must be equipped to process credit card payments.** For each payment, the vendor will receive a secure electronic remittance advice containing a one-time use card number and payment information. You will not need to keep a card number on file because a new card number will be provided with each payment.

If there is a dollar limit on your credit card processor, please provide that amount so that we can adjust our payments accordingly. \$ \_\_\_\_\_

**Direct Deposit, ACH** – You are **only eligible for this payment method if you have a bank account with a bank located in the United States.** (If your information contains a SWIFT code, then you do not have an account with a United States bank. The payment will be direct deposited into your bank account 30 days after the invoice date or the date the goods or services were provided, whichever is later. To process this information the University needs your bank routing number and bank account number, which can be located on your checks. See illustration below.
