

## Calving and Early Life Calf Care

### Purpose

In 2018, the third educational program offered as part of Master Dairy Producer will focus on calving and early life calf care. Farmers interested in becoming a certified “Master Dairy Producer” will need to attend 2 of the various programs offered during 2018. We anticipate this certification will satisfy the educational component for those intending to apply for the 50% cost share through the TAEP program. To view current items available for cost-share, visit <https://www.tn.gov/agriculture/farms/taep/applications.html> and select “Application A” for most dairy-related items.

### Meeting Locations & Dates

The module will be offered at (please contact the local agent about registering one week before meeting date):

- **Greeneville** (Greene County) – **November 5**, The Caney Branch Volunteer Fire Department, 11970 Newport Hwy., Greeneville, TN 37743
- **Athens** (McMinn County) – **November 7**, Western Sizzlin, 1804 Decatur Pike, Athens, TN 37303
