

# Commercial Vegetable Insects

2/13

Tennessee is now officially part of the **Southeastern US Vegetable Crop Handbook**, therefore, we do not have a separate Vegetable Crop Insect Control Section for the Insect and Plant Disease Control Manual.

Please refer to

[www.citrusandvegetable.com](http://www.citrusandvegetable.com) or

[www.growermagazine.com](http://www.growermagazine.com)

in order to access the 296 page handbook on-line.
