

Welcome to the Annual University of Tennessee Construction Science Career Fair

DATE/TIME: At the beginning of each fall semester, specific date and time is available at <http://career.utk.edu/employers/job-fairs/>. Interviews are generally in the morning with additional time allowed in the afternoon for follow-up sessions between students and employers

POSITIONS

AVAILABLE: Full Time - Students immediately approaching graduation within the year
Interns - Students seeking full-time semester or summer employment. Rising Sophomores and Juniors are commonly used in office and/or field operations mentored by assigned company professionals. Students can intern multiple times at the same firm. Freshmen are encouraged to seek labor slots to have a better understanding of construction work forces and productivity.
Co-Ops - Students participating in the Co-Op program will negotiate with the participating company to determine the sequence of work/school semesters. The assumption that the student and the company mutually agree to an extended calendar of work dates.

REGISTRATION: Please go to www.myinterfase.com/utkcareer/employer to activate or create your account. Once you have logged into the system, click on Career Events, under category, choose Career Fair, and click Search. From the list of fairs, click on CASNR Construction Science Fair and click the "Register Now" button to register for the fair. When prompted to choose your area of interest select the Environmental Soils Science (ESS) area. ESS is currently the academic division where Construction Science is housed. If you have registration questions please feel free to contact Mary Mahoney, mmahoney@utk.edu or 865-974-7791.

NOTE: There is a registration fee which covers up to two of your representatives. **If you are a University of Tennessee Construction Science Advocacy Member your fee is waived and your VIP table will be waiting for you***. On-line payment can be made via credit card when you register. When your registration is received, we will e-mail you additional information, including parking, hotel information and maps.

CONTACTS: If you have additional questions, please contact Emily Gray, Director of Student Services, CASNR (865)974-8502 ecgray@utk.edu or Charlie Parker, Director Construction Science (865)974-7177 parker@utk.edu.

*For information on how to become a **University of Tennessee Construction Science Advocacy Member** contact Robin Haefs at 865-974-1928 or email rhaefs@tennessee.edu. For your registration fee to be waived be sure to indicate you are paying by check and our office will cross-check your firm's name and waive the fee.
