

# Strengthening Tennessee Families

## IN BENTON COUNTY

### LOOKING INSIDE OUR COUNTY

Building individual and family life skills to make positive impacts in our community is the mission of Tennessee Extension Family and Consumer Sciences programs.

Extension agents and state faculty collaborate to share their expertise and experience in nutrition and food safety, health, human development and financial management with Benton County residents.

This snapshot of Benton County is designed to inform and guide our work to build on our local strengths and proactively impact the challenges we face together.

#### Ages Residing in Benton County<sup>2</sup>

### FAMILY
