Price: $13.00
Mature Height: 1.5’
Mature Width: 5’
Description: Low spreading habit with silvery blue-green foliage. Great for mass plantings.
Scientific Name: *Picea pungens*
Cultivar: ‘Iseli Fastigate’
Common Name: Colorado spruce
Quantity Available: 5
Container Size: 2 gallon
Price: $70.00
Mature Height: 40’
Mature Width: 10’
Description: Narrow, columnar form with bright blue needles on upward facing branches.
Scientific Name: *Picea heldreichii*
Cultivar: ‘Irish Bells’
Common Name: Bosnian pine
Quantity Available: 5
Container Size: 2 gallon
Price: $50.00
Mature Height: 8’
Mature Width: 6’
Description: Compact, neat, bell-shaped form with tufts of dark green needles.
**Scientific Name:** *Pinus mugo*  
**Cultivar:** ‘Big Tuna’  
**Common Name:** Mugo pine  
**Quantity Available:** 5  
**Container Size:** 2 gallon  
**Price:** $70.00  
**Mature Height:** 8’  
**Mature Width:** 6’  
**Description:** Slow growing, very hardy selection dark green needles that adds bold texture in the landscape.
Scientific Name: *Pinus mugo*
Cultivar: ‘Gnome’
Common Name: Mugo pine
Quantity Available: 2
Container Size: 2 gallon
Price: $70.00
Mature Height: 4’
Mature Width: 6’
Description: Dwarf selection with deep green needles and a dense, globular mound form.
Scientific Name: *Taxodium distichum*
Cultivar: Green Whisper®
Common Name: Bald cypress
Quantity Available: 16
Container Size: 3 gallon
Price: $33.00
Mature Height: 55’
Mature Width: 30’
Description: Great selection of taxodium with soft, bright green foliage in spring followed by rusty orange fall color.
Scientific Name: *Taxodium distichum*
Cultivar: ‘Mickelson’
Common Name: Bald cypress
Quantity Available: 7
Container Size: 5 gallon
Price: $40.00
Mature Height: 75’
Mature Width: 20’
Description: Narrow pyramidal habit with strong central leader and denser foliage than species.
Scientific Name: *Thuja occidentalis*
Cultivar: ‘Degroot’s Spire’
Common Name: Arborvitae
Quantity Available: 10
Container Size: 2 gallon
Price: $24.00
Mature Height: 30’
Mature Width: 6’
Description: Great for small spaces! Slow growing conifer with upright, very columnar form.
Scientific Name: *Thuja occidentalis*
Cultivar: ‘Filiformis’
Common Name: Arborvitae
Quantity Available: 10
Container Size: 2 gallon
Price: $28.00
Mature Height: 30’
Mature Width: 10’
Description: Great for screening and more disease resistant than other Leyland cypress.
Scientific Name: *Thuja plicata*
Cultivar: ‘Forever Goldy’
Common Name: Western red cedar
Quantity Available: 20
Container Size: 2 gallon
Price: $20.00
Mature Height: 20’
Mature Width: 5’
Description: Compact shrub with beautiful display of gold-yellow foliage. Heat and drought tolerant.
Scientific Name: *Thuja plicata*
Cultivar: ‘Whipcord’
Common Name: Western red cedar
Quantity Available: 10
Container Size: 1 gallon
Price: $12.00
Mature Height: 5’
Mature Width: 5’
Description: Unique, shrubby, slow-growing conifer with pendulous cord-like green foliage.
Scientific Name: *Thuja* x
Cultivar: ‘Murray’
Common Name: Murray cypress
Quantity Available: 10
Container Size: 2 gallon
Price: $24.00
Mature Height: 40’
Mature Width: 10’
Description: Fast growing selection with silver-green foliage. Perfect for screening!
Scientific Name: *Thuja occidentalis*
Cultivar: Primo™
Common Name: Arborvitae
Quantity Available: 65
Container Size: 2”
Price: $5.25
Mature Height: 4’
Mature Width: 1’
Description: Compact, deep green textural foliage during summer months and muted green in winter. Great for small spaces in the garden!
Shrubs
Scientific Name: *Aronia melanocarpa*

*Cultivar:* Ground Hug™

*Common Name:* Black chokeberry

*Quantity Available:* 32

*Container Size:* 4”

*Price:* $12.50

*Mature Height:* 1.5’

*Mature Width:* 3’

*Description:* Super tough native shrub that has a dense groundcover habit. Dainty white flowers bloom in spring, which provide edible dark purple berries and bright red foliage in fall.
Scientific Name: *Chaenomeles speciosa*
Cultivar: Double Take Scarlet™
Common Name: Quince
Quantity Available: 6
Container Size: 1 gallon
Price: $19.00
Mature Height: 5’
Mature Width: 4’
Description: Great early spring display of large red, double flowers. Deer resistant and thornless!
Scientific Name: *Clematis* x
Cultivar: Jolly Good™
Common Name: Clematis
Quantity Available: 32
Container Size: Quart
Price: $13.50
Mature Height: 7’
Mature Width: 3’
Description: Vigorous grower but remains compact. Light purple flowers cover this clematis all summer long. Perfect for training on fences or trellises.
Scientific Name: *Clematis x*
Cultivar: Sparky® Pink
Common Name: Clematis
Quantity Available: 32
Container Size: Quart
Price: $13.50
Mature Height: 8’
Mature Width: 8’
Description: Unique pale pink spiky blooms with yellow centers begin in mid-spring and continue through summer. Blooms on old wood so no need for pruning!
Scientific Name: *Clethra alnifolia*
Cultivar: ‘Ruby Spice’
Common Name: Sweet pepperbush

**Quantity Available:** 12  
**Container Size:** 1 gallon  
**Price:** $18.00  
**Mature Height:** 4’  
**Mature Width:** 4’  
**Description:** Great plant for wonderfully striking winter interest. Once leaves defoliate in late fall, showy colorful stems are exposed in vivid shades of yellow, orange, and coral.
Scientific Name: *Cotinus coggyria*
Cultivar: 'Ancot' Golden Spirit
Common Name: Smokebush
Quantity Available: 12
Container Size: 3 gallon
Price: $24.00
Mature Height: 15’
Mature Width: 15’
Description: Beautiful golden selection of smoketree. Makes a great specimen plant or in mixed borders. Can be kept more compact through pruning.
Scientific Name: *Edgeworthia chrysantha*

Common Name: Paperbush

Quantity Available: 30

Container Size: 3 gallon

Price: $70.00

Mature Height: 6’

Mature Width: 6’

Description: Unique shrub that has dark green foliage and densely compacted flower buds that burst open in late February to early April.
Scientific Name: *Forsythia* x  
Cultivar: Show Off® Sugar Baby®  
Common Name: Forsythia  
Quantity Available: 19  
Container Size: 1 gallon  
Price: $17.00  
Mature Height: 2.5’  
Mature Width: 2.5’  
Description: Dwarf forsythia with bright yellow flowers making for an outstanding early spring display. Deer resistant.
Scientific Name: *Fothergilla x intermedia*
Cultivar: Legend of the Small™
Common Name: Bottlebrush
Quantity Available: 48
Container Size: Quart
Price: $13.50
Mature Height: 2.5’
Mature Width: 3’
Description: Tough native that provides all season interest! White, abundant bottlebrush, fragrant flowers bloom in spring, followed by nice blue-green foliage during summer months. In autumn months, this shrub displays almost every fall color imaginable on one plant! Not available in garden centers until 2022!
Scientific Name: *Gardenia jasminoides*
Cultivar: ‘Lillian Peay’
Common Name: Gardenia
Quantity Available: 60
Container Size: 2 gallon
Price: $30.00
Mature Height: 6’
Mature Width: 4’
Description: Large shrub with dark glossy foliage and fragrant cream white flowers.
Scientific Name: *Hydrangea arborescens*
Cultivar: Invincibelle Limetta®
Common Name: Smooth hydrangea
Quantity Available: 7
Container Size: 1 gallon
Price: $17.50
Mature Height: 4’
Mature Width: 4’
Description: Improved selection that has lime green flowers in early summer that lighten to a soft green, and strong stems that holds blooms upright all season.
Scientific Name: *Hydrangea arborescens*
Cultivar: Invincibelle Limetta®
Common Name: Smooth hydrangea
Quantity Available: 32
