

Donor	Genus	Series	Cultivar	Rating	Comment
PanAmerican Seed	Alternanthera		Purple Prince	5	Wonderful rich wine color between red and black depending on light. Good uniform height and growth habit.
Proven Winners	Alternanthera		Plum Dandy™	5	Great color, consistant growth habit
Proven Winners	Argyranthemum		Pure White Butterfly™	3.5	Not long lasting, after initial bloom period plants began to decline
Proven Winners	Argyranthemum		Golden Butterfly™	3.5	Not long lasting, after initial bloom period plants began to decline
Proven Winners	Argyranthemum		Vanilla Butterfly® NEW!	3.5	Not long lasting, after initial bloom period plants began to decline
NARIC Fruitculture	Basil		Purple Ball	4	purple leaves, dwarf habit, fell open later in the season
PanAmerican Seed	Begonia	Megawatt™	Pink Bronze Leaf	4	All Megawatt performed well with profusion of blooms, consistant color and growth habit. Pink was slightly less vigorous and did not mass together as well as the other two.
PanAmerican Seed	Begonia	Megawatt™	Red Bronze Leaf	5	All Megawatt performed well with profusion of blooms, consistant color and growth habit. Pink was slightly less vigorous and did not mass together as well as the other two.
Pan American	Begonia	Megawatt	Pink Bronze Leaf	5	Outstanding variety, very long bloom season (till frost) and very uniform
AAS TEST	Begonia		AAS TEST 17OS01	5	Trial was equal to comparisons in long bloom season and vigor.
Benary	Begonia		Big Rose Bronze Leaf	5	Massed together well, prolific bloomer
Ball Seed	Begonia	Whopper	Rose Bronze Leaf	5	Massed together well, prolific bloomer
Pan American	Begonia	Megawatt	Rose Bronze Leaf	5	Massed together well, prolific bloomer
AAS TEST	Begonia		AAS TEST 17OS02	5	Massed together well, prolific bloomer
Benary	Begonia		Big Rose Bronze Leaf	5	Massed together well, prolific bloomer
Ball Seed	Begonia	Whopper	Rose Bronze Leaf	5	Massed together well, prolific bloomer
Sakata Seed	Begonia		Senator IQ Rose Bicolor	5	Great contrast between foliage and flower
PanAmerican Seed	Begonia	Megawatt™	Rose Bronze Leaf	5	All Megawatt performed well with profusion of blooms, consistant color and growth habit. Pink was slightly less vigorous and did not mass together as well as the other two.
Proven Winners	Bidens	Campfire®	Fireburst NEW!	3	Plants became leggy and flopped over leaving center open. Great color though
Van Hemert & Co	Calamintha		Marvelette Blue	5	long bloomer and very uniform
Proven Winners	Calendula	Lady Godiva™	Orange	4	Withstood summer heat
Proven Winners	Calibrachoa	Superbells®	White NEW!	3	All calibrachos started out well but then became leggy with inconsistant growth.
Proven Winners	Calibrachoa	Superbells®	Double Ruby	3	
Proven Winners	Calibrachoa	Superbells®	Plum NEW!	3.5	
Proven Winners	Calibrachoa	Superbells®	Double Orchid	3	
Proven Winners	Calibrachoa	Superbells®	Over Easy™ NEW!	3	
Proven Winners	Calibrachoa	Superbells®	Rising Star™	3	
Proven Winners	Calibrachoa	Superbells®	Blue Moon Punch™	3.5	
PanAmerican Seed	Calibrachoa	Crave	Strawberry Star	3	
Proven Winners	Canna	Toucan™	Coral	5	Outstanding colors, consistant growth habit, rebloomed, good height that resited lodging, season long color
Proven Winners	Canna	Toucan™	Dark Orange	5	
Proven Winners	Canna	Toucan™	Rose	5	
Proven Winners	Canna	Toucan™	Scarlet	5	
Proven Winners	Canna	Toucan™	Yellow	5	
American Takii	Canna		South Pacific Scarlet	5	All canna performed well, dwarf size is very suitable for landscape beds.
AAS TEST	Canna		AAS TEST 17OS03	5	All canna performed well, dwarf size is very suitable for landscape beds.
Ball Seed	Canna	Cannova	Orange Shade	5	All canna performed well, dwarf size is very suitable for landscape beds.
Takii	Canna		Bronze Scarlet	5	great contrast between dark almost black foliage and red flowers
Ball Ingenuity	Celosia	Twisted™	Yellow	5	Took about a month after blooming for the blooms to rise above the foliage but fine after that. Yellow had the best vigor. All had good color fastness

Ball Ingenuity	Celosia	Twisted™	Red Improved	4.5	See celosia Twisted Yellow
PanAmerican Seed	Celosia	First Flame™	Red	3.5	All three celosia tended to have a sloppy, irregular growth habit that did not mass together well.
PanAmerican Seed	Celosia	First Flame™	Scarlet	3.5	All three celosia tended to have a sloppy, irregular growth habit that did not mass together well.
PanAmerican Seed	Celosia	First Flame™	Yellow	3	All three celosia tended to have a sloppy, irregular growth habit that did not mass together well. Yellow did not fade well once past its prime. Just looked sooty.
Ball Ingenuity	Celosia	Twisted™	Orange	4.5	See celosia Twisted Yellow
Proven Winners	Colcasia	Royal Hawaiian®	Aloha	5	Consistant growth habit, strong stems withstood rain and wind
Ball FloraPlant®	Coleus	FlameThrower™	Salsa Verde	5	Bright lemon yellow color with no leaf scorch in full sun! and no flowers!
Floranova	Corn		Field of Dreams	4	Direct sown performed better than transplants, outstanding tricolor variegated foliage, nice novelty plant
AAS TEST	Corn		AAS TEST 17OS04	3.5	Direct sown performed better than transplants, not as vigorous as Field of Dreams
Van Hemert & Co	Cosmos		Xanthos	3.5	later in the season began to look ragged
AAS TEST	Cosmos		AAS TEST 17OS05	4	
Van Hemert & Co	Cosmos		Xanthos	3.5	
Proven Winners	Cuphea	Fairy Dust™	Pink	0	Did not survive
Proven Winners	Dahlia	Dahlighful™	Crushed Crimson™	4	Nice contrast of flower color with purple foliage, flowers would be more
Proven Winners	Dahlia	Dahlighful™	Tupleo Honey™	4	Flowers would stand out even more if held upright on stems
Selecta	Dahlia	Dalaya™	Yellow 18	4	Wonderful clear lemon yellow. Would like to see better self-cleaning. Spent blooms didn't senesce consistantly
PanAmerican Seed	Dianthus	Jolt™	Pink Magic	3.5	Liked the tri colored flowers but need more basal breaks so that they massed together better.
H.M. Clause	Echinacea		Feeling Pink	5	great uniformity
Keift Seed	Gaura		Sparkle White	4.5	
Proven Winners	Guara	Karalee®	Petite Pink NEW!	3	Not as vigorous as other compact guaras, rich color though
Sakata	Gypsophila	Gypsy	Compact White	3.5	did well at the beginning of the season, great mounding, compact habit but faded with heat
AAS TEST	Gypsophila		AAS TEST 17OS06	3.5	somewhat larger bloom than Gypsy but still similar in performance
H.M. Clause	Helenium		Western Mix	3	though compact it still was top heavy and flopped over
Proven Winners	Hypoestes	Hippo™	Red	4.5	Color contrast was not as striking as the rose otherwise great foliage plant
Proven Winners	Hypoestes	Hippo™	Rose	5	Outstanding
Syngenta	Impatiens		Florific® Sweet Orange	4	
PanAmerican Seed	Impatiens New Guinea	Divine™	Red	4.5	Just not quite the vigor or excitement as the others. More plain Jane than the others.
PanAmerican Seed	Impatiens New Guinea	Divine™	Lavender Improved	5	Nice foliage and color
PanAmerican Seed	Impatiens New Guinea	Divine™	Orange	5	Very consistant color and growth habit vibrant color really staqnds out in the landscape.
Proven Winners	Lantana	Luscious® Royal	Cosmo	5	Great color, consistant growth habit
Keift-Pro	Lavander		Bandera Purple	4	Blooms the first year
Floragran	Lewisia		Elise Ruby Red	1	not heat tolerant
Floragran	Lewisia		Mix	1	not heat tolerant
H.M. Clause	Lupin		Gallery® Blue	2	Nice compact habit but cannot tolerate heat
Benary	Marigold		Hero Spry	4	not as vigorous as some of the other french marigolds but great bicolor contrast.
AAS TEST	Marigold		AAS TEST 17OS08	4	
Pan American	Marigold		French, Janie Spry	4	nice red-orange and yellow bicolor, lacy foliage
Pan American	Marigold		Taishan Gold	5	uniformity between plants , not disease prone
AAS TEST	Marigold		AAS TEST 17OS07	5	
Syngenta	Marigold		Antigua Gold	5	Large blooms very uniform
Floranova	Marigold		Dune Gold	5	
Pan American	Marigold		Garland	5	perfect for the 'Big Orange' garden

AAS TEST	Marigold		AAS TEST 17OS09	5	
Pan American	Marigold		Taishan Orange	5	
AAS TEST	Marigold		AAS TEST 17OS10	5	
Syngenta	Marigold		Moonstruck Orange	5	
Pan American	Marigold		Taishan Yellow	5	
AAS TEST	Marigold		AAS TEST 17OS11	5	
Syngenta	Marigold		Moonstruck Yellow	5	
Floranova	Marigold		Dune Yellow	5	
PanAmerican Seed	Marigold, French	Bonanza	Bolero Improved	5	
PanAmerican Seed	Marigold, French	Bonanza	Orange	5	
PanAmerican Seed	Marigold, French	Bonanza	Yellow	5	
PanAmerican Seed	Ornamental Millet		Copper Prince	3.5	Inconsistent growth among plants and the foliage color just made the plant look unhealthy.
PanAmerican Seed	Ornamental Pepper		Midnight Fire	5	Wonderful! Loved those bright red peppers on the almost black foliage. Massed together well. Great!
Proven Winners	Osteospermum	Bright Lights™	Moonglow	4	Heat tolerant & nice color
PanAmerican Seed	Osteospermum		Akila White Daisy	4	
Syngenta	Pelargonium (Geranium)		Pinto Premium White	5	from white to rich pink as the flowers age
Keift Seed	Penstemon		Carillo Red	3	
Van Hemert & Co	Penstemon		Twizzle Scarlet	3	
PanAmerican Seed	Pentas	Lucky Star™	Deep Pink	5	Wonderful performer, consistent growth uniformity, rich color, pollinator attractor
PanAmerican Seed	Pentas	Lucky Star™	Lavender	5	Wonderful performer, consistent growth uniformity, rich color, pollinator attractor
PanAmerican Seed	Pentas	Lucky Star™	Pink	5	Wonderful performer, consistent growth uniformity, rich color, pollinator attractor
PanAmerican Seed	Pentas	Lucky Star™	Violet	5	Wonderful performer, consistent growth uniformity, rich color, pollinator attractor
PanAmerican Seed	Pentas	Lucky Star™	White	3	The weakest link in this pentas series. Very much less vigorous did not mass together.
PanAmerican Seed	Pentas	Lucky Star™	Dark Red	5	Wonderful performer, consistent growth uniformity, rich color, pollinator attractor
PanAmerican Seed	Pepper		Candy Cane Red	4	The variegated foliage was an OK novelty as was the variegation on the green pepper but it faded away as the pepper turned red. Stems could not hold up once the peppers got of any size and the plant became floppy
Proven Winners	Petunia	Supertunia®	Mulberry Charm	3	*Several petunias planted in landscape beds did not survive our overly wet spring and early
Proven Winners	Petunia	Supertunia®	Royal Magenta NEW!	3	summer and though promising at first went downhill with too much moisture
Proven Winners	Petunia	Supertunia®	Hot Pink Charm	3	*
Proven Winners	Petunia	Supertunia® Vista	Fuschia NEW!	5	Survived in wet conditions, outstanding addition to Vista series
Proven Winners	Petunia	Supertunia®	Lovie Dovie	5	Held up in damp conditions and heat
Proven Winners	Petunia	Supertunia® Vista	Bubblegum®	4	
Proven Winners	Petunia	Supertunia® Vista	Silverberr	2	*
Proven Winners	Petunia	Supertunia®	Bordeaux	4	
Hem Genetics	Petunia	Limbo	Rose	4	
AAS TEST	Petunia		AAS TEST 17OS12	4	
Syngenta	Petunia	Tritunia	Rose Star	5	beautiful large bloom, tolerated, heat and humidity
Pan American	Petunia		Red Velour	5	outstanding
Selecta	Petunia	Headliner™	Banana Cherry Swirl	4.5	Consistent bicolor
Selecta	Petunia	Headliner™	Blueberry Swirl	4	Inconsistent bicolor swirl.
Proven Winners	Phlox	Intensia®	Red Hot	3	Deteriorated with heat and humidity
Proven Winners	Phlox	Intensia®	White NEW!	4	Deteriorated with heat and humidity
Proven Winners	Phlox	Intensia®	Blueberry	3	Deteriorated with heat and humidity

Selecta	Phlox	Gisele™	Light Violet	3	Died mid-season. Seemed not to tolerate heat and/or humidity.
Selecta	Phlox	Gisele™	Pink	3	Died mid-season. Seemed not to tolerate heat and/or humidity.
Selecta	Phlox	Gisele™	White	3	Died mid-season. Seemed not to tolerate heat and/or humidity.
Selecta	Phlox	Gisele™	Hot Pink	3	Died mid-season. Seemed not to tolerate heat and/or humidity.
Selecta	Phlox	Gisele™	Light Pink	3	Died mid-season. Seemed not to tolerate heat and/or humidity.
Benary	Ptilotus		Joey	3	short lived
AAS TEST	Ptilotus		AAS TEST 17OS13	3	short lived
Benary	Ptilotus		Joey	3	short lived
AAS TEST	Ptilotus		AAS TEST 17OS14	3	short lived
Proven Winners	Salvia	Rockin'™	Playin' the Blues™ NEW!	5	Deteriorated with heat and humidity
Proven Winners	Salvia	Rockin'™	Deep Purple	3.5	More leggy than 'Playin' the Blues'. And not as vigorous a bloomer
Proven Winners	Thunbergia	A-Peel®	Lemon	5	VIGOROUS! Maybe a bit too much but we loved the clear consistant colors and the
Proven Winners	Thunbergia	A-Peel®	Orange	5	the consistant blooming over the summer
Proven Winners	Thunbergia	A-Peel®	Tangerine Slice	5	
PanAmerican Seed	Tomato		Little Sicily	4.5	Stems held the fruit up nicely. All were impressive in fruit production and consistant growth habit.
PanAmerican Seed	Tomato		Little Bing	5	Stems held the fruit up nicely. All were impressive in fruit production and consistant growth habit.
PanAmerican Seed	Tomato		Tidy Rose	4.5	Stems held the fruit up nicely. All were impressive in fruit production and consistant growth habit.
Pan American	Torenia	Kauai	Lemon Drop	4	profilic uniform blooms, primrose yellow
AAS TEST	Torenia		AAS TEST 17OS15	4	
Proven Winners	Verbena	Superbena® Royal	Cherryburst	3	Spadic blooming in heat
Proven Winners	Verbena	Superbena®	Violet Ice	4	More vigorous than other verbenas
Proven Winners	Verbena	Superbena®	Stormburst	3	Sporadic blooming in heat
Pan American	Vinca	Titan	Polka Dot	4.5	
AAS TEST	Vinca		AAS TEST 17OS16	4.5	
Floranova	Vinca	Vitesse	Peppermint	5	very uniform in height and bloom color
Floragran	Zinnia		Queen Red Lime	5	rich coral-red
AAS TEST	Zinnia		AAS TEST 17OS17	5	yellow - coral
Benary	Zinnia		Giant Coral	4.5	not as giant as the name implies
Sakata Seed	Zinnia		Profusion Red	5	
PanAmerican Seed	Zinnia		Zahara Sunburst	5	
Sakata	Zinnia		Profusion Double Hot Cherry	5	
PanAmerican Seed	Zinnia	Double Zahara™	Raspberry Ripple	5	Looks good even as it fades the bicolor was very consistant throughout the planting. Really nice
