

Scientific Name	Cultivar	Common Name	Quantity	Container Size	Price	Mature Height	Mature Width	Description
Trees/Conifers								
<i>Juniperus communis</i>	Tortuga™	Common juniper	32	Quart	\$12.00	4'	4'	Easy maintenance juniper that is deer and drought resistant. Nice emerald-green foliage that naturally grows as a low-mounded groundcover.
<i>Taxodium distichum</i>	Lindsey's Skyward™	Bald cypress	10	3 gallon	\$30.00	20'	6'	Dense, narrow form with soft, rich green foliage that changes to copper tones in fall.
<i>Thuja occidentalis</i>	Full Speed a Hedge® 'American Pillar'	Arborvitae	16	2 gallon	\$23.00	30'	5'	Fast growing arborvitae with columnar growth. Great specimen plant that needs minimal pruning.
Shrubs								
<i>Aucuba japonica</i>	'Picturata'	Spotted laurel	18	1 gallon	\$22.00	6'	6'	Nice evergreen shrub with dark green foliage with vibrant golden centers.
<i>Buddleia</i> x	Pugster Blue®	Butterfly bush	32	Quart	\$12.00	2'	3'	Compact plant that features large true blue flowers that bloom non-stop throughout summer.
<i>Buddleia</i> x	Lo & Behold Ruby Chip™	Butterfly bush	32	Quart	\$12.00	2.5'	2.5'	Dwarf butterfly bush with bold magenta-ruby, fragrant flower spikes.
<i>Caryopteris</i> x <i>clandonensis</i>	Beyond Midnight®	Bluebeard	16	Quart	\$12.00	2.5'	2.5'	Very dark, glossy foliage with compact habit and deep blue flowers.
<i>Chaenomeles speciosa</i>	Double Take Peach™	Quince	32	Quart	\$12.00	5'	5'	Early spring bloomer that has beautiful soft peach color and unlike old fashion quince, it's thornless!
<i>Clethra alnifolia</i>	Vanilla Spice®	Summersweet	32	Quart	\$12.00	6'	5'	Attractive, dark glossy green leaves with pure white flowers during summer. Great for butterflies and hummingbirds!
<i>Cornus sanguinea</i>	Arctic Sun®	Bloodtwig dogwood	50	Quart	\$12.00	4'	4'	Great plant for wonderfully striking winter interest. Once leaves defoliate in late fall, showy colorful stems are exposed in vivid shades of yellow, orange, and coral.
<i>Ficus carica</i>	'Chicago Hardy'	Fig	30	3 gallon	\$ 25.00	10'	6'	Reliably produces sweet aromatic medium size fruit. Cold hardy to zone 7. Will re-sprout from the roots in case of harsh winter temperatures. Self-fertile.
<i>Ficus carica</i>	'Brown Turkey'	Fig	30	3 gallon	\$ 25.00	10'	6'	Produces two crops of medium to large purple fruit. Cold hardy to zone 7. Will re-sprout from the roots in case of harsh winter temperatures. Self-fertile.
<i>Ficus carica</i>	'Celeste'	Fig	30	3 gallon	\$ 25.00	10'	6'	Super sweet small to medium size fruit. Cold hardy to zone 7. Will re-sprout from the roots in case of harsh winter temperatures. Self-fertile.
<i>Hydrangea arborescens</i>	Invincibelle® Ruby	Smooth hydrangea	32	Quart	\$12.00	4'	3'	Strong stems with dark foliage and dark burgundy red flowers.
<i>Hydrangea arborescens</i>	Invincibelle Wee White®	Smooth hydrangea	32	Quart	\$12.00	2.5'	2.5'	First dwarf 'Annabelle' type in the world! Strong rebloomer with flowers emerging soft blush pink and changing to white.
<i>Hydrangea macrophylla</i>	Cityline® Paris	Bigleaf hydrangea	45	1 gallon	\$22.00	2'	3'	One of the smaller hydrangeas available that features deep red flowers. No need for pruning and minimal maintenance.
<i>Hydrangea paniculata</i>	Little Lime®	Panicle hydrangea	32	Quart	\$12.00	5'	5'	Large lime green blooms that mature to rich pink. Great for small places in the garden and containers.
<i>Hydrangea quercifolia</i>	Gatsby Pink®	Oakleaf hydrangea	32	Quart	\$12.00	8'	8'	Nice selection that has large, showy blooms that start as pure white and mature to pink. Has great fall color with foliage turning burgundy-red.
<i>Hydrangea serrata</i>	Let's Dance Cancan™	Mountain hydrangea	96	Quart	\$12.00	4'	3'	New release not available to garden centers until next year! Flower buds form along entire length of stem unlike other big-leaf hydrangeas to combat winter dieback. Beautiful strawberry pink lacecap flowers neutral soils, lovely lavender flowers in acidic soil.
<i>Hydrangea serrata</i>	Tuff Stuff®	Mountain hydrangea	45	1 gallon	\$22.00	3'	3'	Reliable and substantial cold tolerance, this hydrangea lives up to its name. Showy blooms are pink or purple, depending on pH, and hovers over nice dark green foliage.
<i>Hydrangea serrata</i>	Tuff Stuff®	Mountain hydrangea	32	Quart	\$12.00	3'	3'	Reliable and substantial cold tolerance, this hydrangea lives up to its name. Showy blooms are pink or purple, depending on pH, and hovers over nice dark green foliage.
<i>Hydrangea serrata</i>	Tuff Stuff Ah-Ha®	Mountain hydrangea	16	Quart	\$12.00	3'	3'	One of most prolific blooming hydrangeas that has either pink or blue flowers, depending on soil chemistry.
<i>Hydrangea serrata</i>	Tuff Stuff® Red	Mountain hydrangea	16	Quart	\$12.00	3'	3'	Newest edition to the Tuff Stuff series that has large lacecap flowers that are a deep pink-red color.
<i>Hydrangea serrata</i>	Tiny Tuff Stuff™	Mountain hydrangea	32	Quart	\$12.00	2'	2'	New dwarf selection with blue to pinkish-purple flowers. Continuous reblooming all summer.
<i>Hydrangea serrata</i>	TWIRLIGIG™	Mountain hydrangea	24	1 gallon	\$15.00	5'	5'	Great selection with very showy soft pink florets that swirl around the rich pink flowers.

<i>Philadelphus coronarius</i>	Illuminati Arch®	Mockorange	30	Quart	\$12.00	4'	4'	New release not available to garden centers until next year! Old fashion plant that has been revived with new, tidy selections. Sweetly fragrant white flowers and handsome foliage.
<i>Philadelphus coronarius</i>	Illuminati Tower™	Mockorange	30	Quart	\$12.00	4'	2'	Classic old-fashioned dwarf selection that has a very narrow, upright form with hundreds of fragrant white flowers in late spring/early summer.
<i>Rhododendron</i> x	Perfecto Mundo® Double Pink	Azalea	15	1 gallon	\$22.00	3'	3'	Reblooming azalea with double pink blooms with neat, rounded habit. First debut of series from award winning breeder, Dr. Tom Ranney of NCSU, that focuses on lacebug resistance.
<i>Rosa</i> x	At Last®	Rose	32	Quart	\$12.00	3'	3'	Sweetly perfumed sunset-orange blossoms adorn this disease resistant landscape rose. Great plant for screening! Large pussywillow that has fuzzy catkins in spring that start out pink and silver, then mature to black.
<i>Salix chaenomeloides</i>	Black Cat®	Pussywillow	14	1 gallon	\$22.00	12'	12'	Narrow, upright elderberry with feathery black foliage that blooms light pink flowers during summer.
<i>Sambucus nigra</i>	Laced Up®	Elderberry	16	Quart	\$12.00	10'	4'	Gorgeous elderberry with finely dissected bright gold color that matures to an attractive chartreuse.
<i>Sambucus racemosa</i>	Lemony Lace®	Elderberry	32	Quart	\$12.00	5'	5'	Colorful spirea with leaves emerging as bright red and maturing to pineapple yellow with new foliage becoming vibrant orange throughout the season.
<i>Spiraea japonica</i>	Double Play® Candy Corn™	Japanese Spirea	48	Quart	\$12.00	2'	2.5'	Showy from the start of spring, new foliage emerges vibrant red followed by profuse purple-red flowers.
<i>Spiraea</i> x	Double Play Doozie®	Spirea	16	Quart	\$12.00	3'	3'	Great selection for heat tolerance and mildew tolerance. Features fragrant pure white flowers in early to mid spring.
<i>Syringa x oblata</i>	'Betsy Ross'	Lilac	35	1 gallon	\$22.00	10'	10'	Large firm berries ripen early to mid season. Requires another <i>V. ashei</i> for pollination.
<i>Vaccinium ashei</i>	'Ozark Blue'	Blueberry	25	2 gallon	\$ 24.00	8'	8'	Late season producing rabbit-eye type. Developed at the University of Georgia. Requires another <i>V. ashei</i> for pollination.
<i>Vaccinium ashei</i>	'Ocholockonee'	Blueberry	25	1 gallon	\$ 16.00	8'	8'	One of the earliest blueberries to ripen. Upright growth habit is more compact than rabbit eye varieties. Self-fertile.
<i>Vaccinium corymbosum</i>	'Duke'	Blueberry	25	1 gallon	\$ 16.00	5'	5'	Large berries ripen late in the season. Partially self-fertile but will yield more fruit with a partner.
<i>Vaccinium corymbosum</i>	'Elliott'	Blueberry	50	1 gallon	\$ 16.00	6'	5'	Partially self-fertile but will yield more fruit with a partner. Produces sweet flavorful berries mid season. Especially beautiful fall color.
<i>Vaccinium</i> x	'O'neal'	Blueberry	25	1 gallon	\$ 16.00	5'	5'	
<u>Perennials</u>								
<i>Agave ovatifolia</i>		Whales tongue agave	25	1 gallon	\$18.00	4'	4'	Stunning hardy agave that has a rounded rosette form with gray to blue cupped leaves. Excellent for rock gardens and specimen plant.
<i>Astilbe</i> x	'Rise and Shine'	Pink astilbe	25	1 gallon	\$ 15.00	28"	18"	Performs well in sun and shade. Hot pink flower plumes with strong stems that don't require staking
<i>Carex oshimensis</i>	'Everillo'	Sedge	50	1 gallon	\$10.00	1.5'	1.5'	Great ornamental golden grass that adds great texture in the landscape. Use in containers, borders, and perennial beds.
<i>Crocsmia crocosomiiflora</i>	'Lucifer'	Montbretia	30	1 gallon	\$ 12.00	36"	12"	A hardy late summer blooming classic for the flower border. Brilliant red flowers are attractive to hummingbirds.
<i>Dicentra spectabilis</i>		Bleeding heart	30	2 gallon	\$ 20.00	36"	24"	A classic favorite for the woodland garden. Graceful heart shaped flowers in late spring. Native perennial sunflower which forms large colonies and supports native pollinators and birds. Easy to grow.
<i>Helianthus maximiliani</i>		Maximilian Sunflower	30	2 gallon	\$ 14.00	8'		Prolific bloomer magenta pink flowers in spring.
<i>Heucherella</i> x	'Pink Revolution'	Foamy bells	25	1 gallon	\$ 15.00	12"	24"	Brilliant chartreuse leaves on red petioles. Medium size.
<i>Hosta</i>	'Fire Island'	Hosta	25	1 gallon	\$ 18.00	12"	24"	Yellow leaves with deeply jetting green margins, Medium size
<i>Hosta</i>	'Rainbow's End'	Hosta	25	1 gallon	\$ 19.00	15"	20"	Hardy lavender with great tolerance to heat and humidity. Blooms prolifically and is a favorite with bees and other pollinators. Good for culinary use.
<i>Lavandula x intermedia</i>	'Phenomenal'	Lavender	30	1 gallon	\$ 12.00	30"	30"	Disease resistant selection with creamy yellow blooms that gradually turn white. Attracts and supports pollinators.
<i>Leucanthemum x superbum</i>	'Banana Cream'	Shasta daisy	30	Quart	\$ 8.00	18"	18"	Compact selection with lavender and rose colored blooms. Butterfly and pollinator attractant.
<i>Liatrix spicata</i>	'Kobold Original'	Blazing star	25	1 gallon	\$ 14.00	24"	18"	Fast growing pollinator magnet. Good resistance to powdery mildew.
<i>Monarda didyma</i>	'Jacob Cline'	Bee balm	20	1 gallon	\$ 10.00	36"	24"	
<i>Monarda</i> x	'Grape Gumball'	Bee balm	30	Quart	\$ 8.00	20"	20"	Compact variety blooms midsummer with gorgeous, long lasting magenta flowers.

<i>Origanum heracleoticum</i>		Oregano	30	4" pot	\$ 3.00	24"	18"	Aromatic leaves great for culinary purposes. Purple flowers attract pollinating insects.
<i>Platycodon grandiflorus</i>	'Sentimental Blue'	Dwarf balloon flower	25	1 gallon	\$ 13.00	6"	12"	Dwarf selection for the front of the border. Large blue buds shaped like balloons open to become large five petaled flowers.
<i>Rosmarinus officinalis</i>	'Hill Hardy'	Rosemary	30	2 gallon	\$ 20.00	36"	36"	Hardy rosemary blooms early to mid spring. Supplies early spring pollen for foraging insects.
<i>Rubus x</i>	'Ouachita'	Thornless blackberry	30	2 gallon	\$ 18.00	5'	4'	Upright thornless blackberries. Self pollinating.
<i>Rubus x</i>	'Anne'	Raspberry	30	2 gallon	\$ 18.00	4'	3'	Large sweet yellow fruit with low acid content. Self-pollinating.
<i>Rubus x</i>	'Caroline'	Raspberry	30	2 gallon	\$ 18.00	4'	3'	Vigorous grower with improved disease resistance. Large sweet red berries. Benefits from afternoon shade.
<i>Salvia nemerosa</i>	'Cardonna'	Meadow sage	25	1 gallon	\$ 13.00	18"	24"	Purple flower spikes with contrasting black stems.
<i>Thymus vulgaris</i>	'Wedgewood'	Thyme	30	4" pot	\$ 3.00	12"	12"	Mild and sweet selection of English thyme. Small pink flowers support pollinating insects.
Annuals								
<i>Caladium x</i>	'Florida Red Ruffles'	Fancy Leaf Caladium	130	6" round	\$8.00	1'		Red strap variety with green margins and bold red centers.
<i>Caladium x</i>	'Carolyn Whorton'	Fancy Leaf Caladium	150	6" round	\$8.00	1.5'		Extra fancy caladium with dark green foliage that is splashed with shades of pink.
<i>Caladium x</i>	'Cosmic Delight'	Fancy Leaf Caladium	120	6" round	\$8.00	1'		Frippy foliage with white centers with bubble gum pink spots.
<i>Caladium x</i>	'Miss Muffet'	Fancy Leaf Caladium	120	6" round	\$8.00	1'		Sun tolerant variety with green leaves that are speckled in red.
<i>Caladium x</i>	'Sizzle'	Fancy Leaf Caladium	90	6" round	\$8.00	1.5'		Pink strap variety with green margins that can tolerate full sun.
<i>Coprosma repens</i>	Waxwing™ Orange	Mirror bush	16	Quart	\$12.00	3'	3'	Glossy foliage with bright, vivid foliage that has an array of orange and yellow colors.
<i>Leucocasia gigantea</i>	'Thailand Giant'	Elephant ear	150	Trade gallon	\$11.00	10'	10'	Large elephant ear that adds great texture to any garden. Individual leaves can grow to be 4' long each. Great as a specimen plant and planted in mass.
<i>Ocimum x</i>	'Amazel'	Basil	100	Quart	\$ 4.00	36"	24"	Newly released from Proven Winners and tested in the UT kitchen garden. Due to flower sterility this Italian sweet basil continues producing tasty leaves even after flower initiation which means growers will get a much longer harvest window. Highly resistant to downy mildew.
